

TIMESCAPES PUBLICATIONS: Publications and Outputs 2007-2012

Project 6: Intergenerational Exchange: Grandparents, Social Exclusion and Health.

The following list includes outputs by members of the Timescapes team from their work on Timescapes projects and associated activities. It also includes outputs from projects predating Timescapes in the instances where 'Timescapes' samples are based on this work or data from these projects are incorporated into Timescapes to extend longitudinally. We call this Heritage data (marked *H on the list). In rare instances outputs by co-researchers on these heritage projects are included (marked *A, for Associated output).
